Dear Sir/Madam

Your permit variation is complete

Permit reference: EPR/GP3897FG/V003

Waste returns reference: EAWML 42806

Operator: S & B Waste Management & Recycling Limited

Facility: Plot 26 Purbrook Road, Monmore Green, Wolverhampton, West Midlands, WV1 2EJ

Our determination of your application to vary your permit is complete. We're satisfied that you can continue to carry out your activities in accordance with the variation, without harm to the environment or human health. I enclose a notice showing the changes to your permit. Please keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these please phone our Customer Contact Centre for help on 03708 506 506.

If you're not familiar with our document **How to comply with your environmental permit** please read it, as this will help you understand how to meet the conditions of the permit. You can find this on our website at

<https://www.gov.uk/government/publications/how-to-comply-with-your-environmental-permit>

Please look at the table below and note any of the information or actions that apply to your permit.

If...

the variation means you're now carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements

Note: This does not apply to permits that only have stand alone water discharge or groundwater activities.

you need to submit other returns

your variation has added an installation to your permit for the first time

then..

you can get the forms you need from our website
<https://www.gov.uk/government/collections/national-operator-waste-returns>

When you complete your return use the waste returns reference above.

send these to your area office. Speak to your area officer to check local arrangements.

we've enclosed the pollution inventory letter, notice and fact sheet.
